Remarks																																																																																																																																							

Note: Remarks are not for responding to an office action.

In accordance with the duty of candor and good faith imposed by 37 C.F.R. 1.56 and means of complying therewith according to 37 C.F.R. 1.97 and 1.98, the references listed on this Information Disclosure Statement are called to the attention of the United States Patent and Trademark Office in connection with the above-identified patent application. A second Information Disclosure Statement is being submitted on even date herewith via U.S. Postal Service to cite other references. No representation is made that the cited art is the only art or that the cited art represents the best art. The Examiner is urged to consider all of the cited documents and to make an independent evaluation of the teachings and materiality of each. If any additional fees are necessary to complete this communication, please apply them to Deposit Account No. 23-3000.
